

~~SECRET~~

16 December 1947

To : All Personnel, Wash Base Radio Station
From : Acting Chief, Operations Section
Subject : Project []

25X1A

1. Effective 17 December 1947 and until further notice, the following special emergency circuit is activated:

[]

25X1A

2. Circuit will be in operation during the period 1200 - 1600 GMT daily. Both ends of circuit will be manual.

3. Washington Base Operators will adhere to rigid circuit discipline at all times. It is of paramount importance that no call sign other than the call assigned this circuit, [] be used at the Washington end of this circuit in identifying our station. Any operator, who through negligence, transmits a [] or other call in identifying this station, will be subject to extreme disciplinary action.

25X1A

4. It is contemplated that [] frequency will be rigidly guarded by Washington during the period 1200 - 1600 GMT. We are expecting a relatively small volume of traffic incoming and little or no outgoing traffic BUT ANY TRAFFIC HANDLED WILL BE OF VITAL INTEREST TO THE UNITED STATES GOVERNMENT.
